*Please be as accurate as possible with addresses and contact numbers – as this is the means by which we can contact you. If you have an e-mail address, please tell us. Completion of your ethnic origin helps us to direct services to the benefit of members in many areas of the Unions activities; recruiting, organising, bargaining and campaigning.*

- 2 Next, tick the membership rate.

- 3 Next, fill in details about your base.

*Additional information such as your Staff Number and National Insurance number (if you know it), assist us greatly in dealing with any claims or issues that may arise.*

- 4 How to pay: pay through payroll (alternatives are available on request)

- 5 Then tell us about any previous union membership

- 6 Don't forget, **sign, date** and hand in the form to your BASSA/T&G representative or post it to the BASSA office.

- 7 Those who live overseas please set out your address as you would like it presented on the envelope to help distribution of newsletter etc. ie

A large rectangular box for writing an address, with a smaller square box in the top right corner for a stamp.
